SUBJECT:

The Department of Health and Human Services, Division of Aging and Adult Services requests Board of Supervisors' approval of one-time-only funding for FY 2009/10 Agreement with Russian American Community Services for the Senior Nutrition Program (amendment)

RECOMMENDATION:

1. Authorize the Board to approve the FY 2009/10 amended agreement with Russian American Community Services for the purchase of supplements and additional food items for Home-Delivered Meal program recipients and for the purchase of various program-related materials and supplies in the amount of \$8,726.

Summary: The California Department of Aging contracts with HHS Division of Aging and Adult Services to support Marin's older adults via the provisions of the Older Americans Act Senior Nutrition Program. Home-delivered and congregate meals for older adults are among the many services provided pursuant to these Acts. The Senior Nutrition Program is well-established in the County, and provides essential assistance to the older adult community.

Community Benefits: The Senior Nutrition Program provides congregate meals for seniors at several sites throughout the County, and home-delivered meals to vulnerable older adults who are unable to prepare meals for themselves, enhancing their opportunity to live independently in their own homes and promoting a high quality of life.

FISCAL IMPACT: There is no increase in net County cost. This contract is funded with State and Federal funds budgeted in fund center 1000021000.
