SUBJECT: New agreement between Marin Housing Authority and Buckelew Programs for the period September 1, 2010- August 31, 2010 in the amount of \$156,000 for the provision of Service Coordination

RECOMMENDATION: Authorize the Executive Director to execute a new two year subcontract agreement with Buckelew Programs in the amount of \$156,000.

SUMMARY: On July 19, 2010 the Marin Housing Authority executed a three year \$240,000 grant agreement with the U.S. Department of Housing and Urban Development (HUD) for the Resident Opportunities and Self Sufficiency (ROSS) Program to provide service coordination to elderly and/or disabled residents in Marin Housing's public housing development designated for this population. Buckelew Programs was selected by the review panel after a Request For Proposals (RFP) was issued, three proposals were received, and proposers were evaluated according to the published criteria. Buckelew was deemed to be most responsive.

The service will provide help for residents to maintain independent living and age-in-place thereby avoiding placement in a full-care facility to the greatest extent possible. The initial contract term will be September 1, 2010- August 31, 2012 in the amount of \$156,000.

FISCAL IMPACT: None.

Sincerely,

Dan Nackerman
Executive Director
