4. MAXIMUM COST TO COUNTY:

In no event will the cost to County for the services to be provided herein exceed the maximum sum of \$50,000 including direct non-salary expenses. As set forth in paragraph 14 of this Contract, should the funding source for this contract be reduced, Contractor agrees that this maximum cost to County may be amended by written notice from County to reflect that reduction.

5. TIME OF AGREEMENT:

This Agreement shall commence on the date this agreement is made and entered into, and shall terminate on September 30, 2011. Certificate(s) of Insurance must be current on day Contract commences and if scheduled to lapse prior to termination date, must be automatically updated before final payment may be made to Contractor. The final invoice must be submitted within 30 days of completion of the stated scope of services.

6. INSURANCE:

All required insurance coverages shall be substantiated with a certificate of insurance and must be signed by the insurer or its representative evidencing such insurance to County. The general liability policy shall be endorsed naming the County of Marin as an additional insured. The certificate(s) of insurance and required endorsement shall be furnished to the County prior to commencement of work. Each certificate shall provide for thirty (30) days advance notice to County of any cancellation in coverage. Said policies shall remain in force through the life of this Contract and shall be payable on a per occurrence basis only, except those required by paragraph 6.4 which may be provided on a claims-made basis consistent with the criteria noted therein.

Nothing herein shall be construed as a limitation of Contractor's liability, and Contractor shall indemnify and hold the County, its employees, officers, and agents, harmless and defend the County against any and all claims, damages, losses and expense that may arise by reason of the Contractor's negligent actions or omissions. County agrees to timely notify Contractor of any negligence claim.

Failure to provide and maintain the insurance required by this Contract will constitute a material breach of the agreement. In addition to any other available remedies, County may suspend payment to the Contractor for any services provided during any time that insurance was not in effect and until such time as the Contractor provides adequate evidence that Contractor has obtained the required coverage.

A request for a waiver of any of the following insurance requirements must be set forth on **Exhibit "C"** attached hereto. A waiver must address reduced amounts of coverage or the type of coverage waived entirely.

6.1 GENERAL LIABILITY

If coverage is cancelled or non-renewed, and not replaced with another claims made policy form with a "retroactive date" prior to the Contract effective date, the contractor must purchase "extended reporting" coverage for a minimum of twelve (12) months after completion of contract work. Contractor shall maintain a policy limit of not less than \$1,000,000 per incident.
