SUBJECT: Traffic Resolution creating a stop control for traffic on Smith Road at the intersection Marin Drive, Mill Valley

Dear Board Members:

RECOMMENDATION: Adopt the attached traffic resolution.

SUMMARY: In response to a community request, traffic engineering staff has evaluated and agree that the right of way at the intersection of Smith Road and Marin Drive should be clearly established through installation of a STOP sign.

This is a three way uncontrolled intersection without an established right of way. Establishment of the right of way is a sufficient warrant to justify installation of STOP sign on Smith Road, making the uncontrolled three-way intersection a one-way controlled intersection. We recommend that your Board approve the attached Traffic Resolution authorizing the installation of a one-way stop at the intersection of Smith Road and Marin Drive.

FISCAL IMPACT: This action will result in the installation and ongoing maintenance of stop signs and markings. Existing funds are budgeted and available in Cost Center 410061300, Commitment Item # 5220220.
