SUBJECT: Additional funds for current contract for Blood Draw Services for District Attorney's office

Dear Board Members:

RECOMMENDATION: Approve an additional \$36,060.95 for Arcadia Health Services

SUMMARY: On October 19, 2004, your Board approved Invitation for Bid #2431B for Blood Draw Services. The agreement was for one year with an option to continue for five years in one year increments, with firm and fixed pricing in the amount of \$106,000 for the first three years, subject to annual availability of funds as determined by the Board of Supervisors and by mutual consent of the County and Vendor. Due to the increase in blood draws by the CHP and Police Departments for DUI enforcement, the District Attorney's Office will need additional funds to pay the remaining month's invoices for this contract period, as the funds were exhausted in June 2010. The invoices remaining total: \$36,060.95, for the months of June through September 2010 blood draws services.

FISCAL IMPACT: Funds are available in the Court Observations fund center in the non-departmental operating budget 9000061000 and G/L account 5210315
