Title DEPUTY C.S.

County Surveyor's Comment

It is the opinion of the Deputy County Surveyor that the filing of this Corner Record does not comply with Business and Professions Code Section 8765(d), as sufficient monumentation was not shown to establish the precise location of the easterly and westerly property lines and Wolfback Terrace Road. Monuments or other evidence may exist and if recovered and considered in determining the location of the subject property's corners and lines, may result in materially alternate positions thereof.
