RE: Grand Jury Report: *Get the Picture? Audiovisual Technology and Marin Law Enforcement.*

Dear Ms. Muller and members of the Marin County Civil Grand Jury,

In reviewing the Grand Jury report, a discrepancy was noted on page three, paragraph two. When referencing agencies with ALPR's deployed, Novato Police Department was not mentioned in the narrative, though referenced in the chart on the same page.

While the focus on the report appears to be based on body-worn cameras, we wanted to ensure accurate and consistent information was being disseminated through the report.

On a side-note, last night our City Council unanimously approved the purchase of body-worn cameras for all of our field officers. We expect to have this technology fully deployed in the next two months.

Feel free to contact me with any questions or future Grand Jury needs.

Sincerely,

JAMES BERG  
CHIEF OF POLICE
