

CITY OF SAUSALITO MEASURE O

O **MEASURE O:** City of Sausalito Essential Services Measure. To maintain the City’s long-term financial viability and improve local quality of life and essential services including storm drain repairs to protect the Bay, street/sidewalk maintenance, pothole repair, parks, landscape maintenance, youth/senior programs, library hours/services, disabled access, public safety, and other general services shall the City of Sausalito enact a half cent sales tax for 10 years, requiring independent financial audits/public review, with all funds remaining in Sausalito?

YES

NO

CITY ATTORNEY’S IMPARTIAL ANALYSIS OF MEASURE O

PROPOSED ORDINANCE ENACTING A LOCAL TRANSACTION AND USE TAX OF ONE-HALF OF ONE PERCENT (.5%) FOR TEN YEARS

The City Council of the City of Sausalito placed Measure O on the ballot to ask the City’s voters to approve a temporary one-half of one percent (0.50%) transaction and use tax. The proposed tax would add a half-cent to the price of an item that costs one dollar, or 50 cents to the price of an item that costs \$100.

Measure O does not limit the use of the tax revenue to a specific purpose. Therefore it is a “general tax.” Funds derived from the tax would be placed in the City’s General Fund and may be used for any legitimate municipal purposes including but not limited to maintaining and repairing storm drains, fixing potholes, maintaining and repairing streets, and fixing sidewalks. The authorization to collect the tax would expire in ten years unless extended by the voters.

The measure requires that the City include – in its annual audit of the City’s financial operations by an independent certified public accountant – an accounting of the revenue generated by the tax and how the revenue was used.

Currently, the total “sales tax” rate in Sausalito is 8.5%. This “sales tax” is actually a combination of “sales and use tax” and “transactions and use tax.” Both are levied on the sale or use of tangible personal property sold at retail with some exceptions. Retailers collect the tax at the time of sale and remit the funds to the State Board of Equalization which administers the tax. Measure O would authorize a 0.50% transaction and use tax, increasing the total sales tax rate in Sausalito to 9%.

A “Yes” vote is a vote to approve a half-cent sales tax for ten years with annual review by independent auditors. A “No” vote is a vote against the tax. Measure O would be approved if it receives a simple majority of “Yes” votes and would go into effect on April 1, 2015.

ARGUMENT IN FAVOR OF MEASURE O

Vote **YES on O** to upgrade Sausalito’s critical infrastructure and services and protect the City’s long-term financial viability!

Tens of thousands of tourists overrun our city each year and don’t pay for the strain they place on local services. **YES on O** ensures out-of-towners pay their fair share – every penny they spend shopping or eating out will help to maintain local services!

YES on O isn’t charged on food groceries or prescription medicine, including medications delivered by mail, limiting impacts to Sausalito residents.

YES on O protects our environment and water quality. Sausalito’s storm drains are 80 years old. Many are completely deteriorated and rusted through, allowing pollutants to spill over into the Bay.

- **YES on O** repairs 80-year-old, deteriorated storm drains.
- **YES on O** maintains storms drains to prevent pollutants, garbage, plastics, and sediment from entering the Bay.

YES on O fixes hazardous roads and deteriorating parks. Our steep, hillside roads are riddled with cracks and aging parks need upgrades. **YES on O** fixes the streets in the worst condition, which put motorists, cyclists, and emergency vehicles at risk.

- **YES on O** fixes potholes.
- **YES on O** maintains/repairs neighborhood streets.
- **YES on O** fixes broken/potentially unsafe sidewalks.
- **YES on O** upgrades neighborhood parks.

YES on O requires our tax dollars be spent locally for Sausalito residents! Sacramento money grabs continually threaten funding for local services, impacting our quality of life. **Yes on O** ensures Sausalito has a guaranteed source of local funding that can’t be touched by Sacramento!

Measure O requires strict fiscal accountability and transparency. It expires in 10 years, and annual independent audits and published expenditure reports ensure funds are spent efficiently and responsibly.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE O

Vote NO on O No New Taxes.

Measure O is a **new tax** on Sausalito residents. While tourists will pay the tax on their purchases, so will residents. The tax does not shift the burden of tourist costs to tourists. For example, most of the rental bicycle companies collect sales taxes in San Francisco, not Sausalito. Sausalito residents will pay the **new tax** on all internet purchases, which are projected to grow steadily.

Measure O is deceptive. Supporters promise desirable improvements to Sausalito's infrastructure **BUT** these repairs are not guaranteed. Money raised by Measure O **taxes** could be applied to any purpose the City Council sees fit, including pensions.

Measure O **new taxes** are not required to be spent locally for Sausalito residents. Sacramento would be prevented from taking these **new taxes** but the City Council could spend it in ways that don't necessarily benefit resident taxpayers.

While independent audits would track expenditures for the **new tax**, residents would have to essentially go to court if the Measure O money is misspent.

The City claims the **new tax** is needed to fix problems **which have grown worse under their stewardship:**

- The EPA cited the city for the sewers and drains in 2007; and
- Repairs to streets, sidewalks and parks have been repeatedly deferred to "balance the City budgets"

Join responsible citizens and VOTE NO on Measure O New Taxes.

ARGUMENT AGAINST MEASURE O

Citizens for Sustainable Pension Plans recommends that you vote "NO" on Measure O. Our reasoning follows:

- Measure O requests taxpayer money to provide services that should be funded through the normal operating revenues of the City.
- The City has asked for funding to mask the systematic mismanagement of their operations.
- Money is fungible. A "YES" vote on Measure O is a vote to allow our elected officials to avoid setting priorities and allocating funds appropriately.
- The systematic mismanagement of operations is highlighted through excessive pensions and retiree medical plans.

Mismanaged pensions and other retirement plans are endemic in the public sector and the City is no exception. These plans suffer from major problems:

- The plans are extremely generous. The value of the plans dwarfs the value of corresponding plans provided in the private sector.
- In addition to their lavish plan costs, the plans are subject to extreme cost fluctuations and risk. The costs of plans are based upon very optimistic assumptions. Unless those assumptions are met (and they have not been this century), there is a funding shortfall (i.e., unfunded liability). This shortfall is recovered through increased contributions from the City (i.e., the taxpayer).
- These higher contributions come at a cost. Either the City reduces services or it requests more money. Measure O is an example of a request for more money from the taxpayer.

If taxpayers vote for Measure O, they are enabling the City to continue its mismanagement by maintaining its rich and financially volatile retirement plans. A better idea is that the City reform its plans to stabilize its budget and to eliminate the need for taxpayer requests such as Measure O.

Vote against this measure!

REBUTTAL TO ARGUMENT AGAINST MEASURE O

Don't be misled by out-of-town critics who seem to think Sausalito's pension reforms are a myth. The fact is, Sausalito is **THE LEADER for pension reform, accountability, and transparency** in Marin County.

Vote **YES on O** for a fiscally-responsible way to make long overdue repairs to storm drains, roads, parks; improve services; and protect the City's long-term financial viability!

FACT: Sausalito's award-winning pension reforms lowered pension costs by \$1,000,000 annually.

FACT: Sausalito **ELIMINATED** millions in past/future pension liabilities.

FACT: **Measure O requires strict fiscal accountability and transparency.** Sausalito's entire City budget is published online, detailing every line item. By law, Measure O undergoes independent audits and published expenditure reports, ensuring RESIDENT PRIORITIES are addressed. Measure O expires in 10 years and is not applied to food groceries or prescription medicine.

YES on O ensures tourists pay their fair share for the strain they place on local services, including police, road maintenance, parks and other services they use when visiting our city. **YES on O** guarantees that LOCAL SERVICES BENEFIT – requiring funds to be spent locally for Sausalito residents.

With storm drains completely deteriorated, pollutants have spilled over into the Bay for years! Hilly roads are hazardous to drive on. **YES on O** protects water quality, fixes roads/sidewalks in the worst condition, and improves parks.

Sausalito prides itself on accountability, and so does **YES on O**! That's why Sausalito business leaders, environmental and waterfront advocates, and local taxpayers are voting **YES on O**.

3.06.010. TITLE. This ordinance shall be known as the 2014 Transaction and Use Tax (the “Ordinance”). The City of Sausalito hereinafter shall be referred to as the “City.” This Ordinance shall be applicable in the incorporated territory of the City.

3.06.020. OPERATIVE DATE. "Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this Ordinance, the date of such adoption being as set forth below.

3.06.030. PURPOSE. This Ordinance is adopted to achieve the following, among other purposes, and the provisions hereof should be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 Division 2 which authorizes the City to adopt this Ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Ordinance.

3.06.040. CONTRACT WITH STATE. Prior to the Operative Date, the City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax Ordinance; provided, that if the City shall not have contracted with the State Board of Equalization prior to the Operative Date, it shall nevertheless so contract and in such a case the Operative Date shall be the first day of the first calendar quarter following the execution of such a contract.

3.06.050. TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax hereby is imposed upon all retailers in the incorporated territory of the City at the rate of .50% (one half of one percent) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the Operative Date of this Ordinance.

3.06.060. PLACE OF SALE. For the purposes of this Ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his or her agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regard-

less of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

3.06.070. USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the Operative Date of this Ordinance for storage, use, or other consumption in said territory at the rate of .50% (one half of one percent) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to State sales or use tax regardless of the place to which delivery is made.

3.06.080. ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this Ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code ("Transactions and Use Taxes"), all of the provisions of Part 1 (commencing with Section 6061) of Division 2 of the Revenue and Taxation Code ("Sales and Use Taxes") are hereby adopted and made a part of this Ordinance as though fully set forth herein.

3.06.090. LIMITATIONS ON ADOPTION OF STATE LAW AND COLLECTION OF USE TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of the City shall be substituted therefor. However, the substitution shall not be made under the following circumstances:

1. When the word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California.

2. When the result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to, sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use, or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use, or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use, or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

3.06.100. PERMIT NOT REQUIRED. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this Ordinance.

3.06.110. EXEMPTIONS AND EXCLUSIONS.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made, and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his or her agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this Ordinance.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this Ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this Ordinance, the storage, use, or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this Ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease that is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this Ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time during which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6.
