► CONTINGENT HIRE MEDICAL BENEFITS ELIGIBILITY

Member Eligibility

As a contingent hire employee, based on provisions within the Affordable Care Act (ACA) and the number of hours you work, you may be eligible for the contingent hire medical plan offered through the County. The ACA requires that every large employer offers medical coverage to all their full-time employees as of January 1, 2014 or pay a penalty. There are two basic ACA groups of employees under the County:

1 Full-Time Hourly: employees that are reasonably expected to work at least 30 hours per week over the first nineteen (19) pay periods (Initial Measurement Period) beginning with the 1st full pay period on or after the date of hire (DOH) are categorized as “full-time.” Full-time employees are eligible for medical coverage beginning the first day of the 5th pay period after hire.

OR

2 Part-Time Variable Hour: employees who are unsure how much they will work but are not reasonably expected to work at least 30 hours per week over the first nineteen (19) pay periods are categorized as “part-time variable hour” employees. Variable hour employees have an Initial Measurement Period (in compliance with ACA Safe Harbor Regulations) which requires employees to work on average at least 60 hours per pay period (30 hours per week) over the first nineteen (19) pay periods beginning with the 1st full pay period on or after the date of hire (DOH) to become eligible for the contingent hire medical plan offered through the County on the first day of the 5th pay period after the 19-pay period Initial Measurement Period (this 5-pay period timeframe is the ACA “Administrative Period”).

As a contingent hire employee, based on provisions within the Affordable Care Act (ACA) and the number of hours you work, you may be eligible for the contingent hire medical plan offered through the County.

Contingent hire employees who become newly eligible for the County’s medical plan have 30 days from the date they are notified of eligibility to enroll themselves and (if they wish) their eligible dependents. Please note that no changes can be made after this 30-day period unless you have a qualifying event. See the section on Qualifying Events on page 6 for more information.

Open Enrollment Eligibility

Part-time variable hour employees have (regardless of whether or not eligibility was earned in the Initial Measurement Period) an annual opportunity and obligation to qualify for ongoing eligibility for the contingent hire medical plan through the County’s Standard 12-Month Measurement Period, in compliance with ACA Safe Harbor Regulations.

Contingent hire employees who work an average of at least 60 hours per pay period (30 hours per week) for the 12-month time period of October 2, 2022 through September 30, 2023 will be offered medical coverage during the annual Open Enrollment period, with coverage beginning the start of the pay period inclusive of January 1st of the following calendar year (December 24, 2023). This means contingent hire employees who meet this eligibility requirement and maintain employment status with the County are eligible to maintain coverage through the 2024 plan year (through December 21, 2024), regardless of the number of hours worked in 2024. Contingent hire employees who become eligible for Open Enrollment will be notified by email and provided further information in October of the current year.

CONTINGENT HIRE MEDICAL BENEFITS ELIGIBILITY *(continued)*

Dependent Eligibility

Spouse or Domestic Partner (DP)

All medical benefits-eligible contingent hire employees may enroll a legal spouse or registered DP in the County's Kaiser High-Deductible Health Plan. Proof of legal marriage or domestic partnership is required. Enrollment in benefits must be completed within 30 calendar days from the initial enrollment offer of coverage or during the annual Open Enrollment period in which the employee is qualified.

Natural Children, Stepchildren, Adopted Children

A member's or their spouse's or DP's natural child, adopted child, or child under legal guardianship is eligible for coverage on the medical plan up to 26 years of age. There is no age limit for children who are disabled.

Health Coverage for a DP and a DP's Children May Be Taxable Benefits under Federal Law

A DP will generally not qualify as a tax dependent under federal law. According to the IRS code (Revenue Ruling 58-66), the "fair market value" of DP coverage is what must be used for computing taxes on Fringe benefits provided to non-tax qualified DPs or children of DPs enrolled under an employee's plan. This is true whether the costs are paid out of your Fringe benefit dollars provided by the County or paid out of pocket by the member as both are paid with pre-tax dollars. By comparison, no taxable imputed income results from employer contributions to a legal spouse's health premiums or a DP that qualifies as a tax dependent. The fair market value is calculated for the DP and *each* child of the DP if the DP and/or the child do not qualify as dependents of the employee per the IRS definition found in the IRS code, Section 152 (Code 105 (b)). The County of Marin is required to include the fair market value of your DP coverage for federal, and in some cases state, tax purposes in your taxable income. This amount is reflected on your annual Form W-2 from the County, which employees receive in January of each year. This means that your taxable income will be higher than the actual cash wages that you have received.

Fair Market Value of DP Benefits

Fair market value of the DP benefit will be the cost difference between the employee only and the employee plus one dependent premium rate. Fair market value for each DP child is the family rate less the two-party rate.

Consult Your Tax Advisor

This is a brief overview regarding the tax treatment of health care benefits to DPs and children of DPs. Laws are subject to change. Please consult with a professional tax advisor for information needed to make these determinations. It is your responsibility to comply with state and federal tax law.

Contingent Hire Employee Medical Plan

There is one medical plan offered to eligible contingent-hire employees and their dependents:

- Kaiser High-Deductible Health Plan (Kaiser HDHP)

► MIDYEAR CHANGE IN STATUS: Changing Benefit Elections Outside of Open Enrollment

Under the IRS Code, Section 125, the employee must pay the same amount of pre-tax premium each month during the year, unless the employee has a “midyear change event.” This means once you have made your elections during the Open Enrollment period, no changes can be made until the next Open Enrollment period unless you have a midyear change of status event. To make a change in benefit elections due to a midyear change event, you must complete the election change process, including the submission of all required documentation, no later than 30 calendar days after the qualifying event occurs. If the election change process is not completed within 30 calendar days of the date of the qualifying event, you must wait until the next Open Enrollment to make the change. Examples of qualifying events include marriage or divorce, birth or adoption, loss of other non-County of Marin group medical coverage, an unpaid leave of absence taken by the employee or spouse, spouse/domestic partner (DP) gains coverage through an employer, etc.¹ If you have any questions concerning your benefits and/or the enrollment process, please contact a Human Resources Benefits representative to discuss.

You may only change health care benefit elections outside of Open Enrollment if you have a midyear change in status.

Enrollment and Required Documentation

Required documentation must be submitted to the Human Resources Department by the deadlines listed in the table on following page. Late documentation and enrollment and change forms will not be processed. If you are concerned because you cannot obtain all of the needed documentation, please call your HR Benefits representative to discuss.

1. Change in coverage due to a qualifying event may change premium contributions. Review your paycheck to make sure premium deductions are correct. If your premium deduction is incorrect, contact your HR Benefits representative. You must pay premiums that are owed. Unpaid premium contributions can result in termination of coverage.

Individual Mandate and Health Care Reform

The health care reform legislation that became law in 2010, known officially as the Affordable Care Act, requires most Americans have health insurance. In December 2017 Congress passed a new law (the Tax Cuts and Jobs Act) that reduced the federal individual mandate penalty to zero starting in 2019. This means that starting in 2019 there will no longer be a federal individual mandate penalty for failure to maintain medical plan coverage.

Note that if you are a resident of certain states including California, Massachusetts, New Jersey, Rhode Island, or Vermont, or the District of Columbia, you may be subject to a state income tax penalty if you fail to maintain medical plan coverage that meets that state's minimum coverage requirements. Consult with your own state's insurance department for information on whether your state has adopted or will be adopting a state individual mandate penalty.

▶ 2024 MEDICAL PLAN COSTS

Contingent Hire Employee Medical Plan

The County of Marin offers one medical plan to eligible contingent hire employees and their qualified dependents:

- Kaiser High-Deductible Health Plan (Kaiser HDHP)

Coverage Level Options

When you enroll, you also have the option to enroll your eligible dependents in coverage. You can choose one of three coverage levels, as follows:

- Employee Only
- Employee + 1 Dependent
- Employee + 2 or More Dependents (Family)

2024 Bi-Weekly Medical Plan Costs

Kaiser HDHP rates have increased for 2024. The new rates will be effective December 24, 2023. Affordable Care Act (ACA) regulations limit the amount of premium that can be paid by the employee for self-only coverage. To meet this ACA requirement, the County of Marin subsidizes the cost of the Kaiser HDHP. Therefore, bi-weekly premium costs for contingent hire employees for *employee-only* coverage will not exceed \$87.09 in 2024. If you enroll dependents, you will need to pay all costs associated with the additional coverage out of your own pocket.

IMPORTANT INFORMATION **About Paying for Your Medical Benefits**

If you do not receive enough compensation in your paycheck to cover the cost of your out-of-pocket medical premium, you must pay the County of Marin's Department of Finance directly on a timely basis to maintain coverage. *IMPORTANT: Any out-of-pocket medical premiums must be paid on a timely basis to maintain coverage.* Contact your HR Benefits representative or the [Department of Finance](#) for more information.

► 2024 HEALTH CARE COVERAGE CALENDAR

Coverage for benefits is provided and paid for on a bi-weekly basis. Benefits are paid for in the two-week period prior to the coverage period. For example, employees working December 10, 2023–December 23, 2023 are covered for December 24, 2023–January 6, 2024.

If you take an unpaid leave of absence, you must pay the Department of Finance directly for the premium contributions that were being deducted from your paycheck. Employee premium contributions are due no later than two pay dates from which the benefits coverage period has ended. For example, payment for the December 24, 2023–January 6, 2024 benefits coverage period must be made no later than February 2, 2024 pay date.

► COBRA

COBRA, which stands for the Consolidated Omnibus Budget Reconciliation Act, is a federal law that allows employees and their dependents who lose eligibility for group medical, dental, and vision coverage to temporarily continue that coverage by paying for it themselves. Optum Financial administers COBRA for the County of Marin.

Eligibility

Employees may elect to temporarily continue health care coverage through COBRA if coverage is lost due to:

- Voluntary or involuntary termination of employment
- Hours of employment reduced, making the employee ineligible for employer-sponsored health care coverage

Covered spouses or domestic partners may also elect to be covered under COBRA if coverage is lost due to:

- Voluntary or involuntary termination of employee's employment
- Hours of employment reduced, making the employee ineligible for employer-sponsored health care coverage
- Divorce, legal separation, or dissolution of domestic partnership from the covered employee
- Death of the covered employee

Covered dependent children may elect COBRA coverage if health care is lost due to:

- Loss of dependent child status under the plan rules
- Voluntary or involuntary termination of employee's employment
- Hours of employment reduced, making the employee ineligible for employer-sponsored health care coverage
- Parent's divorce, legal separation, or dissolution of domestic partnership from the covered employee
- Death of the covered employee

Note: Dependents dropped from coverage during Open Enrollment are not eligible for COBRA.

COBRA Notification and Election Time Limits

Employee health care coverage ends on the last day of the coverage period for which the employee worked. See the 2024 Health Care Coverage Calendar on page 12 of this Guide for more information. If the termination date falls on the first day of the coverage period, coverage ends that same day. If an enrolled dependent of an employee loses coverage due to divorce, dissolution of partnership, or loss of dependent child status, the employee or the dependent must notify the Human Resources Benefits representative within 30 days of the qualifying event and request COBRA enrollment information. Failure to give notice to Human Resources Benefits of the dependent's loss of eligibility within 30 days of the event will cancel the dependent's rights to continued coverage under COBRA. Employees or dependents have 60 days from the COBRA notification date to complete a COBRA election form and submit it to Optum Financial. Initial payment for COBRA is required within 45 days of COBRA election. Coverage will be retroactive to the date of the COBRA qualifying event, so there is no break in coverage.

Paying for COBRA

It is the responsibility of covered individuals enrolled in COBRA to pay required health care premium payments directly to Optum Financial. COBRA premiums are not subsidized by the County.

COBRA and Open Enrollment

COBRA beneficiaries may change plans and/or add family members during Open Enrollment.

Termination of COBRA

COBRA coverage is generally available for a maximum of 18 months. COBRA coverage will end if:

- You obtain coverage under another group plan or Medicare
- You fail to pay the premium required under the group plan in full and within the payment grace period or the applicable COBRA period ends
